EXCEPTIONAL CIRCUMSTANCES

BCCI may consider written requests for refunds due to exceptional circumstances and may increase the refund amount beyond the levels provided.

Acceptance of money appropriately refunded within the amounts detailed in part A,B and C does not preclude an application for exceptional circumstances and students must first apply for refunds of amounts as detailed previously unless a refund of 0% is applicable.

Applications for refunds beyond the levels detailed in part A,B and C will be deemed to be denied if the student does not appeal within 30 days.

Applications for refunds beyond levels detailed in part A,B and C must provide details and appropriate verifiable evidence of the circumstances, which support the reasons for withdrawal namely:

- Are beyond the student's control; and
- Do not make their full impact on the student until on or after the course commencement; and
- Make it impracticable for the student to complete the requirements for the course during the period during which the student undertook or was to undertake the course.

After the exceptional circumstances have been confirmed, BCCI will refund the total amount of all course fees (tuition and any non-tuition fees) received for the course less whichever is the lower amount of 5% of the total amount of the fees (tuition and non-tuition) or the sum of \$500, which can also be waived at the discretion of BCCI

ADDITIONAL INFORMATION

Electronic Confirmation of Enrolment

Once payment has been received, BCCI will forward the confirmation of enrolment (CoE) to the student. The student will then need to submit the CoE and all of the documents required with the student visa application to the Australian High Commission.

Unique Student Identifier (USI)

From 1 January 2015 students undertaking nationally recognised training delivered by a registered training organisation must have a Unique Student Identifier (USI). This includes studying at TAFE or with a private training organisation, completing an apprenticeship or skill set, certificate or diploma course.

Each student will need a USI to obtain their certificate or qualification from their registered training organisation when studying nationally recognised training in Australia.

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that give students access to their USI account:

- USI will allow an individual's USI account to be linked to the National Vocational Education and Training (VET) Data Collection allowing an individual to see all of their training results from all providers including all completed training units and qualifications.
- The USI will make it easier for students to find and collate their VET achievements into a single authenticated transcript. It will also ensure that students' VET records are not lost.
- The USI will be available online and at no cost to the student.
- This USI will stay with the student for life and be recorded with any nationally recognised VET course that is completed from when the USI comes into effect on 1 January 2015.

The USI initiative:

- Seamlessly links information about a student's VET achievements, regardless of where they studied
- Enables students to easily access secure digital transcripts of their achievements
- Gives students access to, and more control over, their educational information.

As part of this initiative – it is required that students create their USI at the earliest possible.

BCC Institute can create a USI on behalf of those students who are unable to do so. These students will need to give consent to BCC Institute by using the *Unique Student Identifier (USI) Form*.

For more information visit www.usi.gov.au or ask the Administration and Enrolment Officer.

Student Visa

Once you receive your Confirmation of Enrolment, you will need to apply for your visa. Information about applying for a visa can be found at:

<http://www.immi.gov.au/allforms/pdf/applying-student.pdf>

This document explains the process for application, evidence that you must provide (including a valid passport), information on student visa conditions, permission to work, Overseas Student Health Cover and charges associated with the visa application. You may wish to use a registered migration agent to assist you with your application, or BCC Institute has a range of education agents who can assist you with the process of applying for a course to arrival at BCC Institute and including assistance with visas. Contact us for details of the education agents that we use, also available on our www.bcci.edu.au

Ensure that you allow enough time between lodging your application and the start of your course, as applying for a visa can be a lengthy process.

If your visa is not approved, you will receive a full refund for the tuition fees that you may have paid as per the refund policy.

VISA CONDITIONS

If you are granted a visa, you must abide by its conditions. Failure to comply with these conditions may result in the cancellation of your visa.

Conditions include (but are not limited to) that you must:

- Satisfy attendance and/or course progress requirements and maintain a valid enrolment for your chosen course of study.
- Only work if you have been given permission to do so as part of your visa grant.
- Maintain approved Overseas Student Health Cover (OSHC) while in Australia
- Notify your training provider of your Australian address and any subsequent changes of address within 7 days.
- Complete the course within the duration specified in the CoE.
- If you are a student visa holder under 18 years of age who is neither being accompanied nor staying with a relative who is at least 21 years of age, you must not change your accommodation, support and general welfare arrangements without the written approval of your education provider.
- Remain with the principal education provider for 6 months unless you are issued with a letter of release from the education provider to attend another institution.

ARRANGING TRAVEL AND DOCUMENTS TO BRING

Costs of travelling to Australia are not included in your course fees and you will need to arrange and pay for your travel to Australia. You should plan to arrive in Sydney at least 2 weeks before your course orientation to give you time to settle in.

Sydney Airport: Kingsford-Smith International, Airport Drive Mascot NSW 2020

You will need to prepare a folder of official documents to bring with you to Australia including:

- Valid passport including a valid student visa
- Your Confirmation of Enrolment (CoE)
- Insurance policies
- Original or certified copies of documents such as your birth certificate, medical records and educational qualifications as advised by BCC Institute at the time of confirmation of enrolment.

If you are travelling with your family you will need to include their documents as well. Keep all documents in your carry-on luggage. Have certified copies made of the originals which can be left behind with family and can be sent to you in case originals are lost.

Maintaining Enrolment and Course Progress

You must meet course progress requirements in order to satisfy the conditions of your visa. These course progress requirements will be clearly explained to you during the orientation program.

BCC Institute will assist you to meet course progress requirements by monitoring your progress and providing you with the relevant support at an early stage. We can provide you with a range of support from extra time to complete tasks or a reduced study load to study skills programs. If after providing you with this support, you do not meet course progress requirements, you will be issued with a first warning letter stating that your course progress is unsatisfactory and inviting you to a meeting to discuss further support. Following the provision of this support, if your progress is still unsatisfactory, you will be sent a second warning letter and again inviting you to a meeting to discuss why you are not still meeting satisfactory course progress requirements and to discuss new or revised support arrangements.

Where you continue not to meet course progress requirements in two consecutive study periods, you will be reported to DIBP for not meeting course progress requirements. DIBP will make the final decision on whether your visa will be cancelled because of your unsatisfactory course progress.

You may appeal BCC Institute decision to report you to DIBP. However, an appeal will only be considered if BCC Institute has not recorded or calculated the student's marks correctly, has not provided appropriate support as set out in this policy, has not implemented other policies such as assessment and feedback which could impact on the student's results or there are compassionate or compelling reasons which have contributed to the unsatisfactory progress. Circumstances that are considered to be compassionate or compelling circumstances include (but are not limited to):

- Serious illness or injury, where a medical certificate states that the student was unable to attend classes;
- Bereavement of close family members such as parents or grandparents
- Major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies.
- A traumatic experience which has impacted on the student and which could include involvement in, or witnessing of a serious accident; and witnessing or being the victim of a serious crime. These cases should be supported by police or psychologists' reports or
- Where BCC Institute is unable to offer a pre-requisite unit.
- Where the student is unable to begin studying on the course commencement date due to delay in receiving a student visa.

Where your study load is reduced due to difficulties with meeting course progress requirements, this may mean that you will need to do additional subjects in future sessions to complete your course in the time specified in your student visa.

ATTENDANCE

As well as meeting course progress requirements, you must also meet attendance requirements as part of your visa conditions. It is expected that you will attend all classes; however, we understand that in some cases you may not be able to get to a class because of your personal circumstances such as illness or family matters. To maintain satisfactory attendance, you must attend at least 80% of your classes.

Where you are at risk of not meeting attendance requirements, we will contact you to arrange a meeting to discuss your attendance and any support we can offer you to meet requirements. Once the process for warning you that you are not meeting attendance requirements and we have provided you with assistance, if you do not

or cannot meet attendance requirements, we will be required to report you to DIBP. DIBP will make the final decision on whether your visa will be cancelled because of your unsatisfactory attendance.

In some cases, you may not be reported if attendance falls below 80%. Your attendance will not be reported if it is at least 70% and you are maintaining satisfactory academic performance.

You may also not be reported in the case of compassionate or compelling circumstance i.e. those beyond your control and which have an impact on your course progress or wellbeing (see course progress requirements for details of compassionate and compelling circumstances).

DEFERRAL, SUSPENSION AND CANCELLATION

BCC Institute's Deferral, Suspension and Cancellation Policy and related procedures outline the circumstances in which a student can defer, suspend or cancel their enrolment with BCC Institute and where BCC Institute can initiate the suspension or cancellation of the student's enrolment.

DEFINITIONS

To defer or suspend enrolment means to temporarily put studies on hold. A student may request a temporary deferment or suspension to his or her enrolment on the grounds of compassionate or compelling circumstances.

Deferral is defined as postponement of the commencement of enrolment and suspension is a temporary postponement of enrolment.

Note that a retrospective deferment or suspension may be justified if the student was unable to contact BCC Institute because of a circumstance such as being involved in a car accident.

Cancellation is where the student voluntarily withdraws or is required to withdraw from a course.

Deferral and suspension will be granted in compassionate or compelling circumstances. Compassionate or compelling circumstances are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing.

These could include, but are not limited to:

- serious illness or injury, where a medical certificate states that the student was unable to attend classes;
- bereavement of close family members such as parents or grandparents (where possible a death certificate should be provided);
- major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies; or
- a traumatic experience that has impacted on the student which could include involvement in, or witnessing of a serious accident or witnessing or being the victim of a serious crime. Such cases supported by police or psychologists' reports.
- where BCC Institute is unable to offer a pre-requisite unit; or
- inability to begin studying on the course commencement date due to delay in receiving a student visa.

BCC Institute may also initiate suspension or cancellation of a student's enrolment on the grounds of misbehavior of the student or non-payment of fees. The Student Code of Conduct defines what is the behavior expected by students and what might be defined as misbehavior. BCC Institute Student Discipline Policy and Procedures will be followed to investigate the incident. In the case of student plagiarism, cheating or collusion, BCC Institute's Student Discipline Policy and Procedure will be followed.

Cancellation of the student's enrolment due to unsatisfactory course progress or attendance will be handled as per BCC Institute's Course Progress and Attendance Monitoring Policy and Procedures.

Students may also initiate cancellation of their studies using BCC Institute's Application for Withdrawal form. Students should note BCC Institute's fees, charges and refunds policy and procedure in relation to withdrawal.

CHANGE IN VISA STATUS

Deferment, suspension or cancellation of a student's visa may affect the student's visa. When a student's enrolment is deferred, suspended or cancelled, BCC Institute will notify the Department of Education via the Provider Registration and International Student Management System (PRISMS) of the change in enrolment status.

Students are to refer to the DIBP web site (<http://www.immi.gov.au/>) or Helpline (131 881) for information and their local DIBP office for advice on how the potential change to enrolment status may impact upon his or her visa.

Regardless of whether the suspension of enrolment is the result of a student request for suspension or a suspension imposed by BCC Institute, the period of suspension of enrolment (as entered in PRISMS) will not be included in attendance monitoring calculations.

Where a suspension of enrolment is granted, BCC Institute will suspend an enrolment for an agreed period of time - to a maximum of 12 months. If the suspension is required for longer than 12 months the student shall have to re-apply once the initial suspension period has expired.

If a student's enrolment is suspended for a period of 28 days or longer, the student must return home (unless special circumstances exist). Students will be referred to DIBP via the DIBP helpline on 131 881 regarding whether they may remain in Australia during a period of suspension of enrolment.

BCC Institute will always use its professional judgement to assess each student's case on its individual merits when determining whether compassionate or compelling circumstances exist.

In cases where a student's enrolment is cancelled, the student must leave Australia, obtain enrolment in an alternative course or apply for a different visa within 28 days of cessation. If the student leaves Australia, the student's visa will be cancelled. A student who has left Australia and wishes to return to his or her studies must apply for a new student visa.

COURSE CREDIT

Course credit is where you are awarded advanced standing in a course because of existing qualifications, skills and experience that you have. This means that you are not required to participate in a particular part of the course you have enrolled in, saving you time and money.

Course credit can be awarded in three ways - through recognition of qualifications and statements of attainment issued by another RTO, through credit transfer and through Recognition of Prior Learning (RPL). An explanation of each of these ways of gaining course credit is included below, as well as how to apply and the costs involved.

Recognition of qualifications and statements of attainment issued by another RTO

Under recognition arrangements, any AQF qualifications or VET statements of attainment that you have from another RTO and that directly match the units in the course you are enrolling in, will result in credit towards your course, saving you both time and money. All you need to do is to indicate on your enrolment form that you wish to apply for course credit and provide a certified copy of your qualification including a record of results or your statement of attainment. There is no charge for this service.

Credit transfer

You can also receive course credit for credit transfer which will be awarded for qualifications or statements of attainment that include unit/s that are not a direct match but align with the content from the units within the course that you are applying for. For example, some qualifications or statements of attainment may contain units that are from an older version of a Training Package but the content is considered equivalent. Students should indicate on the enrolment form that they are seeking course credit and provide certified copies of qualifications, including a record of results or a statement of attainment. There is also no charge for credit transfer.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) means that you can get credit for the skills and knowledge that you have gained through your work and life experience, as well as training that you have completed that is outside formal training arrangements.

BCC Institute has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option.

If you choose to apply for RPL to prove entry requirements, you will be provided with a kit that will assist you in deciding whether you want to apply for RPL and that helps you to collect all of the evidence you will need to provide in order for us to assess your application. A trainer/assessor will also be available to assist you. Fees are applicable for recognition of prior learning and you will be advised of these fees on contacting us about an application for RPL.

For more information about submitting an application for RPL, contact the office.

COURSE AND ASSESSMENT

The training and assessment offered by BCC Institute focuses on providing you with knowledge and skills required to the standard of performance required in the workplace. This is known as competency based training and assessment. Each of the components of your course is a “unit of competency”. You may either be studying one or a few units of competency or a set of units that make up a total qualification. Each unit of competency is linked to specific skills and knowledge required in the workplace such as communication or health and safety or qualification specific skills.

Our course outlines include the details of how we deliver the training to you as well as the assessment methods that will be used to assess whether you have reached the required standard of performance. Assessment methods vary depending on the course but usually include written and/or oral questions, written assignments, projects and practical observations.

Reasonable adjustment in assessment

Some students may need modifications to assessments. This is called reasonable adjustment.

Reasonable adjustment can involve:

- ◆ Adapting physical facilities, environment and/or equipment e.g. setting up hearing loops.
- ◆ Making changes to the assessment arrangements e.g. more time allowed for assessments.
- ◆ Making changes to the way evidence for assessment is gathered e.g. written questions asked orally

Submitting your assessments

Students must submit written assessment tasks along with a completed and signed Assessment Task Cover Sheet. The cover sheet asks students to make a declaration that the work is their own. Written tasks will not be accepted without a signed cover sheet.

Assessments can be submitted directly to the trainer/assessor or provided to our office staff who will record your submission. We recommend you take a photocopy of all your submitted tasks as we will not be able to provide a copy back since we must keep your work as evidence of your assessment in your file.

Appealing assessment decisions

You make an appeal against an assessment decision. Please refer to the complaints and appeals section in this handbook for information about making a Complaint or Appeal against an assessment decision.

If you are found to have plagiarised, cheated or colluded, you will be given an opportunity to respond to the allegations. If you are found to have plagiarised, cheated or colluded, we will be required to take disciplinary action which is likely to require you to re-sit the assessment.

Disciplinary action may lead to the suspension or cancellation of your enrolment, which may affect your visa.

ISSUING OF QUALIFICATIONS AND STATEMENTS ISSUING OF QUALIFICATIONS AND STATEMENTS OF ATTAINMENT

On completion (or withdrawal) of your course and payment of final fees, we will issue you with a qualification or statement of attainment within thirty (30) days. Qualifications will be accompanied by a record of results showing the units of competency achieved in the course. A record of results will only be provided with a statement of attainment if requested.

A statement of attainment showing any units completed will be issued if you partially complete a qualification such as in the case of withdrawal.

BCC Institute reserves the right to withhold the issuance of qualifications until all fees related to the course the qualification relates to have been paid, except where BCC Institute is not permitted to do so by law.

Re-Issuing Statements and Qualifications

Records of qualifications and statements of unit achievement are kept on record for a period of at least thirty (30) years. Students can request copies of any of these statements or qualifications at any time for an additional charge. Refer to the Fees, Charges and Refund Policy for the current fee.

Student Issues

STUDENT PLAGIARISM, CHEATING AND COLLUSION

BCC Institute has a no tolerance policy for plagiarism, cheating and collusion. Students are expected to act with integrity at all times and only submit work that is their own or that has been appropriately referenced and includes acknowledgements of all texts and resource materials utilised in the development of the work.

When you submit your assessments, you will be required to sign a declaration that the work provided is your own and that you have not cheated or plagiarised the work or colluded with any other student/s.

Where a student is suspected of plagiarising, cheating or colluding, BCC Institute will take the necessary steps to detect if plagiarism, cheating or colluding has occurred by comparing work with electronic reference materials, internet resources and the work of other students, using electronic plagiarism detection software, comparing work against various academic databases and referring to our plagiarism register or any other appropriate method.

COMPLAINTS AND APPEALS POLICY

BCC Institute's Complaints and Appeals Policy and related procedure have been developed to ensure that BCC Institute responds effectively to individual cases of dissatisfaction. This policy outlines BCC Institute's approach to managing complaints and appeals and ensures that all clients, students (domestic and international), employers and other stakeholders are aware of the steps to take to have their dissatisfaction addressed appropriately.

This policy provides an avenue for all complaints to be addressed in a fair, efficient and confidential manner. There is no cost to any person to access the complaints and appeals process.

This policy ensures compliance with the VET Quality Framework, as well Standard 8 of the National Code 2007 and international students will be informed of, and provided with this policy and the complaints and appeals procedure during their orientation.

- Complaint – a person's expression of dissatisfaction with any service provided by BCC Institute.
- Appeal – a request to review a decision that has previously been made.

Complaints and appeals systems

Despite all efforts of BCC Institute to provide satisfactory services to its students, clients, workplaces and others, complaints may occasionally arise requiring formal resolution.

Individuals are encouraged, wherever possible to resolve concerns or difficulties directly with the person(s) concerned to deal with the issue before it becomes a formal complaint. BCC Institute's Chief Executive Officer and trainers/assessors are available to assist students to resolve their issues at this level and/or to assist the student with lodging the relevant documentation for the submission of formal complaint.

Complaints and appeals may be made be in relation to any of BCC Institute's services, activities and decisions such as:

- the selection process

- the enrolment, induction and/or orientation process
- the quality of training and assessment provided
- training and assessment matters, including student progress, assessment, curriculum and awards in a course of study
- access to records
- decisions made by BCC Institute
- the way someone has been treated.

BCC Institute is committed to developing and maintaining an effective, timely, fair and equitable complaints and appeals system which is easily accessible and offered to complainants at no charge. BCC Institute aims to:

- Develop a culture that views complaints and appeals as an opportunity to improve the organisation and how it works
- Set in place a complaints and appeals handling system that is client focused and helps BCC Institute to prevent these events from recurring
- Ensure that any complaints and appeals are resolved promptly, objectively and with sensitivity and in complete confidentiality
- Ensure that, in the case of international students, complaints are resolved promptly as not to impact on an international student's study time in Australia as determined by their visa.
- Ensure that the views of each complainant and respondent are respected and that any party to a complaint or appeal is not discriminated against nor victimised
- Ensure that there is a consistent response to complaints and appeals.

All formal complaints and appeals will be responded to efficiently to ensure an effective resolution within a reasonable timeframe, usually twenty (20) working days or as soon as practicable. However in some cases, particularly if the matter is complex, the resolution may take longer.

All formal complaints and appeals and their outcomes will be recorded on the Complaints and Appeals Registers with a detailed record of the complaint and outcomes. This will be kept permanently to allow all parties to the complaint or appeal appropriate access to the records if required. Records of complaints and/or appeals made by a student will be saved in the student's file.

Complaints and appeals will be reviewed by management to identify root causes of the complaint or appeal and to identify any areas requiring improvement to prevent similar recurrences in the future.

There is no cost to access the complaints and appeals process with BCC Institute.

All records relating to complaints and appeals will be treated as confidential and will be covered by BCC Institute's Information Privacy Policy.

This policy and related procedure do not replace or modify those or any other responsibilities which may arise under other policies or under statute or any other law. Nothing in this policy and related procedure limits the rights of individuals to take action under Australia's Consumer Protection laws. This policy does not circumscribe an individual's rights to pursue other legal remedies.

Making a complaint

Formal complaints may be made in writing to the Chief Executive Officer using the Complaints and Appeals form or other written format. When making a complaint the complainant should provide as much detail as possible to enable BCC Institute to investigate appropriately and determine a solution. This should include:

- The issue that is the cause for the complaint
- Any evidence that supports the complaint

- Details about the steps that have already been taken to resolve the issue
- Any suggestions for how the issue might be resolved.

The receipt of the complaint will be acknowledged in writing within 3 working days of receiving the complaint. Upon receiving the complaint, the Chief Executive Officer will conduct an investigation into the matter and ensure that BCC Institute has accurate, complete and relevant information. This may include gaining extra details from the complainant and any other involved parties about the issue which may be done in writing, over the phone or face-to-face.

BCC Institute acknowledges the need for an appropriate independent party to mediate if required and will offer to arrange this for complainants who are not satisfied with the process conducted by BCC Institute.

The Chief Executive Officer will decide on an appropriate resolution and advise the complainant in writing how the matter will be resolved along with reasons for the decision within 10 working days of the complaint being made.

Internal non-academic appeals

Appeals against a decision made by BCC Institute during the complaints process may be made in writing to the CEO using the Complaints and Appeals form or other written format. When making an appeal the appellant should provide as much detail as possible to enable BCC Institute to investigate appropriately and determine a solution. This should include:

- The issue that is the cause for appeal
- Any evidence that supports the appeal
- Details about the steps that have already been taken to resolve the issue
- Any suggestions for how the issue might be resolved.

The receipt of the appeal will be acknowledged in writing within 5 working days of receiving the appeal.

Upon receiving the appeal, the CEO will conduct an investigation into the matter and ensure that BCC Institute has accurate, complete and relevant information. This may include gaining extra details from the appellant, the person who made the original decision and any other involved parties about the issue. These consultations will preferably be conducted face-to-face.

The CEO will decide on an appropriate resolution and advise the appellant in writing of the how the matter will be resolved along with reasons for the decision within 20 working days of the appeal being made. If the matter is particularly complex, the matter may take longer to resolve. If the appellant remains dissatisfied they may lodge an external complaint or appeal.

In the case of international students, where the internal appeals process recommends a deferral, suspension or cancellation of a student's enrolment, the Chief Executive Officer will notify The Department of Education through PRISMS of the change to the student's enrolment and the student has 28 days in which to:

- Leave Australia
- Show the Department of Immigration and Border Protection (DIBP) a new Confirmation of Enrolment (CoE) with another provider; or
- Provide DIBP with evidence that he or she has accessed an external appeals process.

Making an appeal of an assessment decision

An appeal of an assessment decision may be made in writing to the Training Manager using the Complaints and Appeals Form or other written format within 20 working days of the assessment decision being made. The request must include reasons why the assessment appeal is being made.

Upon receipt of the appeal, an internal review of the assessment will occur and the Training Manager may request further information from the appellant.

The assessment will then be reviewed which may involve:

- the appointment an independent, qualified assessor to review the assessment, or
- the original assessor reviewing the assessment decision and involving another assessor in the decision.

All reasonable measures will be taken to ensure that an assessment appeal is resolved within 20 working days. The Training Manager will ensure that the appellant is advised in writing of the outcome along with reasons for the decision within this timeframe.

External appeals

Where the complainant remains dissatisfied with the outcome of the complaints and appeals process, the complainant has the right to access an external complaints or appeals process at minimal or no cost. Complainants must ensure they have accessed the internal processes first.

Complainants have a number of external sources ('external reviewer') where they can raise a complaint or appeal including:

- NSW Fair Trading <http://www.fairtrading.nsw.gov.au/>
- Administrative Appeals Tribunal [http://www.aat.gov`](http://www.aat.gov)
- BCC Institute's RTO registering body, the Australian Skills Quality Authority (ASQA) <http://www.asqa.gov.au/complaints/complaints.html>

Note: ASQA can only deal with complaints about:

- the information provided by an RTO about its course/s
- the delivery and assessment of training received
- the qualifications issued or to be issued.

International students may also lodge an external appeal to the Overseas Students Ombudsman who offer a free and independent service to overseas students who have a complaint or want to lodge an external appeal about a decision made by BCC Institute. Students are able to view the Overseas Students Ombudsman website www.oso.gov.au or call on 1300 363 072 for further information.

BCC Institute will be bound by the external reviewer's recommendations and the Chief Executive Officer will ensure that any recommendations made are implemented within 28 working days of receipt of the decision made by the external reviewer.

Enrolment status during complaints and appeals process

For international students, BCC Institute will maintain a student's enrolment throughout the internal appeals processes. In the case of an external appeals process it will depend on the type of appeal as to whether BCC Institute maintains the student's enrolment as follows:

- If the appeal is against BCC Institute's decision to report the student for unsatisfactory course progress or attendance, the student's enrolment will be maintained until the external process is completed and has supported or not supported BCC Institute's decision to report.
- If the appeal is against BCC Institute's decision to defer, suspend or cancel a student's enrolment due to misbehaviour, BCC Institute will notify the Department of Education through PRISMS of a change to the student's enrolment after the outcome of the internal appeals process, not the external appeals process as outlined above.
- For international students, maintaining the student's enrolment means not notifying the Department of Education of any change to the student's enrolment status through the Provider Registration and International Student Management System (PRISMS).

COMPLAINTS AND APPEALS PROCESS FOR DEFERRAL, SUSPENSION OR CANCELLATION

Where BCC Institute initiates the suspension or cancellation of a student's enrolment, the student will be notified of this intention and will be informed that they have 20 working days to access BCC Institute's Complaints and Appeals Policy and Procedure, unless extenuating circumstances relating to the welfare of the student apply.

Extenuating circumstances relating to the welfare of student may include where the student refuses to maintain approved care arrangements, is missing, has medical concerns, severe depression or psychological issues which lead the provider to fear for the student's well being, has engaged or threatens to engage in behaviour that is reasonably believed to endanger the student or others, or is at risk of committing a criminal offence.

BCC Institute will not notify the Department of Education of a change in enrolment status until the internal complaints and appeals process is completed.

Students may choose to access an external appeals process as per BCC Institute Complaints and Appeals Policy. In the case of an external appeal, BCC Institute is not required to wait for the outcome of the external appeal before notifying Department of Education of the change to the student's enrolment status.

In most cases, BCC Institute will continue to provide learning opportunities to students during the appeal process. However, where it is considered that a student should not attend classes during the appeals process, the students will be provided with work that can be completed outside of the classroom environment.

Living in Sydney

ENTRY INTO AUSTRALIA

When you arrive in Australia, you will need to show your passport and incoming passenger card at a Customs and Immigration checkpoint. You may be asked questions about your stay before your passport is stamped and handed back.

Once you have passed through the Immigration checkpoint, you should collect your bags ensuring that you check your baggage and check that nothing is missing or damaged. If customs officers decide that the item you are bringing in are not safe, they will be confiscated and destroyed. If you fail to declare or dispose of any quarantine items, or make a false declaration, you may receive a fine or be prosecuted. All international mail is also screened and checked by customs.

ARRIVING IN AUSTRALIA

Getting from Sydney airport to Bankstown

Go to Airport Domestic or Airport International Train Stations Platform 1.
Catch the train to Central station and change to Platform 22 for your train to Bankstown (The Bankstown line).
Travel time is approximately 49 minutes.

Keeping in contact

Before you leave home, you should provide your family and friends, and your education provider in Australia, with details of your flights to Australia and where you will be staying when you arrive. (Do not change these details without informing them.) Once you have arrived in Australia, you should then let your family and friends know that you have arrived safely. For safety reasons, always let someone know where you are.

Arranging your finances

The currency of Australia is the Australian Dollar. Ideally, you should change your money into Australian dollars before you arrive but if you haven't you will need to change some as soon as you arrive – you will usually be able to do this at the airport.

Once you have arrived into Sydney you can also change more money into Australian dollars at any bank or currency exchange. Note, however, that banks are not open on the weekend and while airport currency exchanges are generally open, the rate is usually not as good as with a bank.

You should not carry large sums of money with you and it is best to only have the money that you will need for the first few days and then arrange to have the rest of the funds transferred to you in Australia.

The amount you will need to bring with you will depend on whether you have already paid for your accommodation before you arrive. Think about how much money you will need to last you for a couple of weeks.

Find out more about money matters by visiting <http://www.studyinaustralia.gov.au/en/Living-in-Australia/Money-Matters>

HEALTH AND RELATED ISSUES

Emergencies

For emergencies such as fire, ambulance or police, phone 000. When you dial 000, you will be asked whether you want fire, ambulance or police and why you want this assistance. You will also be asked for your name and address and telephone number.

Australia police protect people and properties, detect and prevent crime, and preserve peace for everyone. They are not connected to the military or politics. The police can help you feel safe.

Fire

The fire brigade extinguishes fires, rescues people from fires in cars and buildings, and helps in situations where gas or chemicals become a danger. As soon as a fire starts call 000 no matter how small or large the fire may be.

Ambulance

Ambulances provide immediate medical attention in an emergency and emergency transportation to hospital. To access an ambulance, call 000.

Medical assistance

Emergency medical treatment is available 24 hours a day at the emergency or casualty department of a public hospital, or at some medical centres. Public and private hospitals are listed in the White Pages telephone directory under 'Hospitals' and you can also find them by searching on the internet. If you need to go to hospital, remember to bring your health insurance card and any medicines you are currently taking. For anything other than an emergency, seek medical help from a general practitioner (GP) or local medical centre.

Overseas Student Health Cover

Australia has a special system of health cover for international students called Overseas Student Health Cover (OSHC). You will need to buy OSHC before you come to Australia to cover you from when you arrive. The Department of Immigration and Citizenship requires you to maintain OSHC for the duration of your time on a student visa in Australia.

You can choose to take out OSHC with a provider recommended by us, or with the Australian OSHC provider of your choice. There are five providers of OSHC in Australia. Visit these websites to find detailed information on what they cover and to decide which provider is right for you.

- Australian Health Management OSHC www.ahmoshc.com
- BUPA Australia www.overseasstudenthealth.com
- Medibank Private www.medibank.com.au/Client/StaticPages/OSHCHome.aspx
- OSHC Worldcare www.oshcworldcare.com.au
- NIB OSHC www.nib.com.au/home/newtonib/overseasstudents

Your OSHC will help you pay for any medical or hospital care you may need while you're studying in Australia, and it will contribute towards the cost of most prescription medicines, and an ambulance in an emergency.

For more information on what your OSHC insurance covers, as well as what to do if you need treatment, refer to the Department of Health and Ageing's (DoHA) [Frequently Asked Questions](#).

OSHC does not cover dental, optical or physiotherapy. If you want to be covered for these treatments you will need to buy additional private health insurance, such as:

- Extra OSHC provided by some OSHC providers;
- International travel insurance; or

- General treatment cover with any Australian private health insurer. You can find a list of these providers and search for the one that suits you best at www.privatehealth.gov.au or www.iselect.com.au

WORKING IN AUSTRALIA

Like many international students, you may get a part time or casual job to help pay your living expenses while you study in Australia. It is important that you know your rights in the workplace. As a student visa holder, you are allowed to work up to 40 hours a fortnight during term time and as many hours as you like during holidays.

All people working in Australia have basic rights and protections in the workplace, including minimum pay and conditions. The Fair Work Ombudsman makes sure that these rights are protected and enforced fairly under Australia's workplace laws.

This fact sheet will help you understand your basic workplace rights, where to obtain further information, and how to seek assistance from the Fair Work Ombudsman. For more information, contact the Fair Work Infoline on 13 13 94 or visit www.fairwork.gov.au.

All references to an award or agreement in this fact sheet include modern awards, enterprise agreements, and award or agreement-based transitional instruments.

Visit the following website to find out more about working in Australia, including how to find a job.

LIVING COSTS IN AUSTRALIA

Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. This helps to ensure students are better able to make the most of their studies and have a safe and enjoyable experience in Australia.

While international students are able to supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps to support the success of students in their studies by ensuring that they don't have to rely on such work to meet all their expenses.

From 1 July 2012, the basic rate of living costs under the Migration regulations increased. Under these regulations prospective student visa applicants and their family members must have access to the following funds to meet the living costs requirements:

- A\$18,610 a year for the main student;
- A\$6,515 a year for the student's partner;
- A\$3,720 a year for the student's first child; and
- A\$2,790 a year for every other child and where required.

Students must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia.

The figures above are indicative only and that costs can vary significantly depending on where you live in Australia. You should be prepared in case your living costs are greater than the indicated figures.

For more information visit the Department of Immigration and Border Protection website.

BUDGETING

Once you've settled in, you should ideally work out a budget that covers costs including clothing, food, accommodation, transport and entertainment, travel costs and child care, if applicable.

It is important to be aware of how much money you spend and where you are spending it. Sticking to a budget will ensure you are on top of where your money goes.

Read more about budgeting at www.understandingmoney.gov.au
